Family Dinner Night & June Chapter 95 Meeting This Friday, June 24 @ 6:00pm Cherry Red Roasters BBQ 207 E Delaware St, Dwight, IL

At our May chapter meeting, we discussed having a chapter dinner night and June meeting combined on Friday, June 24th. We chose a new restaurant, highly recommended by chapter members who have eaten there - Cherry Red Roasters BBQ in Dwight, IL. They have an outdoor covered patio with bar and a meeting/banquet room as well. Great food for dinner, nice place to hold our meeting, and adult beverages available for those who wish to enjoy.

We will eat at 6pm and have our meeting following dinner.

We hope a lot of chapter members venture a little bit farther south than usual and join us for a fun evening with a new restaurant to try.

The restaurant menu is on Page 8.

From The President ...

Hi all, Summer has arrived so time to get outdoors and enjoy the warm weather.

Shelly and I are looking forward to seeing most of you on Saturday 6-25-16 at our annual fly in lunch. This year is kind of special as we will be celebrating the good times we all had with Allan Franowsky. Linda is overwhelmed with excitement from all the LOVE and ongoing support from our Chapter 95 family. Please make it a point to come this year and bring friends and family along to enjoy the occasion☺.

The June meeting is going to be held at Cherry Read Roaster BBQ and will enjoy a family dinner night first and have our meeting immediately following. I think you all will really enjoy the venue as the food is awesome and they have a nice outdoor patio and bar for refreshments. As you all know we need to replace our Vice President so I have proposed Brian DePung for this position and John Limbach to replace Brian on the Board. Our bylaws dictate the Board appoint so I have put this proposal out to all board members and everyone who responded was very positive and supporting. I plan to ask for a motion to vote in this change and make an adjustment in the bylaws to stagger the offers election terms as well.

Fourth of July is coming up quickly and it is always a great time to visit the airport and enjoy Grundy County Fairgrounds show. This year it is Sunday 7-3-16 at dusk. I would like to get out the chapter BBQ and encourage all to come watch the show together. Any of our members willing to open their hanger / hangers and host this event please get in touch with me so we can put a plan into action.

Lots of fly in breakfast going on get out and support our neighboring chapters and have some FUN in the process!!!
Signing off now until next month;

Be Safe, Healthy & Happy,
Mark

Ice-Cream Social at Morris Airport

Friday, July 15
7pm

(6:30pm if camping at Oshkosh)

Hosted by Matt & Jana
Trofimchuck

On Friday, July 15th, please join us at the Morris Airport Hanger 77 around 7 PM where we will host our annual Ice-Cream Social. If the weather is good, I'm sure people will be out early flying around so you are more than welcome to come out earlier. We will talk about Oshkosh and collect money from each member that wants to camp with the Chapter. This also serves as our July chapter meeting.

Everyone is invited, including family, friends - kids, grandkids, the whole family. Over the years, this has become a big family event with lots of kids, grandkids, and friends. This is a great kickoff for Oshkosh! Hope to see you all at the Ice Cream Social and as many as possible up at Oshkosh! Search us down even if you are only going to AirVenture for one day!!

See you all at the Ice Cream Social...
Matt (847-308-2409) and Jana

PLEASE READ IF Camping With Chapter 95 at AirVenture Oshkosh 2016 (Or thinking about camping with us)

It's hard to believe it is time to start planning our campsite for Oshkosh. We have to do things a little different this year, so **PLEASE read this article, even if you have camped with us before and think you know the drill.**

First, for those of you that have never camped with us before and are interested in joining us. EAA Chapter 95 members (family and friends) camp in an area together for the week at Camp Scholler. We bring the big chapter canopy (last year Tom Ellis brought even a bigger event tent), along with the chapter grill and tables. Everyone is welcome to use the grill anytime, morning, noon, and night.

Matt and Jana go up to Oshkosh the Wednesday before the show starts (July 20th) and buy the campsites and rope off the area for Chapter 95. The only way to guarantee a spot in this area is if you pay in advance. AirVenture requires us to buy the campsites from the time we arrive until the end of the show. If you leave early, you get a refund, except for the 3 night minimum. Please note the cost for camping went up \$1 again this year. **The cost of each campsite is \$27 a night and we are reserving the spots for 12 nights, so that comes to \$324 for each campsite you would like saved.**

This is where things change from previous years. We can no longer leave your credentials at the front gate for you to pick up. We have had a few people volunteer to fly up on Wednesday and pick up everyone's credentials and bring

them back to Morris for you to pick up there before you leave for Oshkosh.

If you plan to camp with us this year, **PLEASE** send me an e-mail (jana.trof@gmail.com) ASAP to let us know you are camping with us and what day you plan to arrive in Oshkosh. We need this information **BEFORE** the ice-cream social in July so that we can start coordinating the plan to get the credentials ahead of time and work out the logistics. We will explain the plan at the ice-cream social in July.

If you are one of the people that have volunteered to fly up to Oshkosh and pick up the camping credentials, please contact Matt before the ice-cream social so we can make solid plans.

If you are camping with us, please come to the ice-cream social (July 15) and give us your camping fee (\$324, check or cash), your EAA number, what day you plan to arrive and depart, and what kind/size camper or tent you have. The last few years people have just found me (or I've found you) at the ice-cream social to collect your money, however this year we need to get everyone together and have a brief meeting about the new procedure. **Please plan to meet in Matt and Jana's hanger at 6:30pm** for a brief meeting to sync up on the plans. If you cannot make it to the ice-cream social, please contact Matt and Jana as soon as possible **PRIOR** to the ice-cream social.

WANTED: Ride to Oshkosh on Friday, July 22 - Are you driving to Oshkosh on Friday? Do you have room in your vehicle? Tricia Wagoner is looking for a ride. Please contact her at triciawagoner@me.com if you can help her out. She will also be at the ice-cream social on Friday, July 15 to coordinate.

Kankakee Young Eagles Day

By: Jacque Nawojski

Chapter 95 was requested by the Greater Kankakee Airport to run their Young Eagles Rally on May 21, 2016 in conjunction with their Fly-In and Car Show, as well as few other activities including their “Pause for Patriotism”. The published plan was for it to run from 8 a.m. to Noon.

There is no pre-registration for their Young Eagles. It is on a first come, first served basis. This proved very interesting since we had to stop registration at 9:30 a.m. because we had 57 Young Eagles signed up already. Of the 57, 28 of them were Boy Scouts from 3 different troops. There were only 8 pilots flying. Of these, 4 pilots flew slower planes like a Stearman and a Piper Cub, but fortunately we had 3 pilots who could handle 3 Young Eagles at a time.

We also had a Waiting List Signup for those who wanted to really fly and were not a part of the original 57. Most of these people came back around 11 o'clock and pleaded to have their kids fly. In the end we flew 98 Young Eagles finishing the last flight at 1:30 p.m.

Our pilots did a great job, both our Chapter 95 pilots and a few non-members who agreed for our Chapter to receive credit for the kids flown. Thanks to our Chapter pilots: Brian DePung (flew 19 kids), Matt Kwiatkowski (flew 4 kids), Mark Molle (flew 10 kids), and Warren Roddy (who flew Young Eagles for the first time, flew 4 kids). Also thanks to our non-member pilots: Chuck Bohlmann (flew 2 kids), Don Rothermel (flew 22 kids), Steve Russell (flew 33 kids), and Hershel Wix (flew 4 kids).

The Kankakee airport process is a little different than our Chapter's. They don't take photos (thank goodness). There is no way that we could have handled that at this airport. Fortunately the Office Manager (Pamela Rose) and the Airport Manager (Victoria Ruble) loaned us a few of their staff in order to get the paperwork done. They hand wrote the Certificates (I didn't bring the printer). One of them also did the Logbooks. They were very helpful, especially Krystal Rose, daughter of the Office Manager. It really was an interesting process, but long and tiring.

A Big Young Eagles Rally Thanks!

By: Jacque Nawojski

Thank you all who came out for another successful Young Eagles Rally on Saturday, June 11th. We especially want to thank all the members who came out to help and to those who came to support the event.

The day turned out to be an interesting one: very hot with gusty winds. A challenging day for flying the 43 Young Eagles by our six chapter pilots: Tom Ellis, John Musgrave, Matt Kwiatkowski, Mark Molle, Warren Roddy, and Jana Trofimchuck; and our two guest pilots: Scott Doorn (Doug Harford's partner in the C182 RG) and Elroy Hilbert from Chapter 22 in Rockford. All the Young Eagles had a great time.

The Ground Crew, the support team for our pilots, did a fantastic job handling the new procedures that we've put in place. They helped make the flow between the office staff and the pilots seem effortless. Thank you: Lucas Crater, John Limbach, Larry Nawojski, Linda Roddy, Joe Saltzman, Rich Toth, and Tyler Foster. Thanks to our two photographers: Tim Adams and R.J. Toth (our junior member who is going to the EAA Air Academy in July).

We appreciate all the efforts of the Food Concession Staff with Linda Franowsky in the Lead Role: Char Curtis, Shelly Molle and Norma Limbach at the Popcorn Maker. Plus they had a surprise visit from Terry Wise.

Especially wanted to thank the Office Staff for all their hard work: Jenna Limbach handling the printing of the Young Eagle photos, Michael Foss, Janice Jack and Tricia Wagoner doing the Young Eagle registration, the logbooks and anything else that needed to be done. They all made the process easier and fun.

It was wonderful to see everyone pull together to make this event a very memorable one for 43 Young Eagles.

Jana Trofimchuck flew 9 kids

Matt Kwiatkowski flew 2 kids

John Musgrave flew 6 kids

Tom Ellis flew 4 kids

Elroy Hilbert flew 3 kids

Warren Roddy flew 1 kid

Scott Doorn flew 12 kids

Mark Molle flew 6 kids

Matt Kwiatkowski and Tom Ellis demonstrating preflight

Taildragger Tuesday - Fun in the Aerobatic Box! Joey Saltzman enjoyed his first Stearman ride. Jacque Nawojski got to do her first LOOP with Randy in his Christen Eagle.
