

## A Message from The President

Members – it's the hot time of the year here in the Verde Valley, but we did get some activities and work done for our Chapter. We continue to make improvements for our Building. With a donation of 30 tons of landscaping rock from David Mongini and with the expert work by landscaper Jose Mejias, we now have more inviting front yard for our tenants AirMethods and the Chapter.

AirVenture is just around the corner and we have Chuck Losinski, Bob Noll, and Ron Kreienkamp are all heading to Oshkosh. We look forward to their report when they safely return.

We have our July Gathering on the 4th, so we hope to see you there and share in some good aviation stories and food before we see the City of Cottonwood fireworks about 9PM. Your Board has also selected our 2024 Sunbird Scholar and we will awarding that at the July Gathering.

Lastly, we have the 56 Fighter Wing Flight Safety Office coming up for our August 6 Gathering updating us on their Mid-Air Collision Avoidance (MACA) Program.

Build smart and fly safe.
