

A Message from The President

Arizona's Spring weather fouled our April 27 Young Eagle Rally – low ceilings and wind; however, most of you all should know we reschedule to May 18. If you haven't received an email to reconfirm your availability as a pilot or ground volunteer, please get with us if you are available for May 18.

There's lots of aviation activities going on and several Chapter members attended the FAASTeam briefings over at SEZ.

Bob Noll is planning on flying to OSH in July. If anyone else is going, please let us know. Other big news is that Brenda and Rich Gay have finished and flew off their 40 hours on their Sling TSi. They are basing at SEZ and we hope to have them show their TSi at a Gathering soon. Congratulations Brenda and Rich!
