

A Message from The President

Chapter members – thank you all who helped us out on our May 18 Young Eagles (YE) rally. We got 38 YE safely flown and with many big smiles from our young aviators. As you all know, this was a rescheduled rally due to weather from our April 27 rally.

Our next Fall rally will be in October or November. However, if any of you YE pilots have an opportunity to fly an one-off YE flight, please do. If you have any question of how to fly and document a single YE flight, please see me or Doug Wright.

We also need to be on the lookout to recruit new Chapter members. We continue to grow with a few members, we are always looking to share our EAA family with any new builders, pilots, local EAA not associated with a Chapter, or just plain aviation nuts.

Our June 4 Gathering will feature the developers from Virga and their phone app for easy inflight PIREPs. We hope to record this Zoom presentation for other to see later. Please check out their website - FlyVirga.com.

Our July Gathering will be on Thursday July 4 for our annual cookout and observation of the Nation's birthday. The Chapter will be providing premium hot dogs and burgers. Lastly, since the beginning of EAA, Chapters have designed and made a patches for members to proudly wear. We still honor the original 952 logo, but we need to select a patch design and get patches made. See the article below to give your input on our new Chapter patch.

Chapter Patch Input

Members, here are some designs we have drafted up for our new Chapter patch. The best value is for a round design. The colors of our Chapter logo lends itself to a light background. Please drop us an email of which design you like best!
