

A Message from The President

Merry Christmas! It is time for our annual Chapter Christmas feast on December 3 at 6PM. If you haven't RSVP yet with a side dish, you still have time to join us.

The Board authorized two more needed Building projects - replacing the carpet in the main meeting room with wood flooring and to treat the roof with an asphalt shingle restorer.

Our roof is halfway into its service life, but the treatment we will be applying will extend the life of our roof.

The RoofMaxx distributor in our area, Lance Kane, has graciously given us a discount to the treatment along with us putting in an Ad in the Chapter newsletters. Thanks to Lance and his team.

We had Michelle Smith from Untethered Aviation in Sedona originally to be our guest speaker in November, but we moved her presentation to our January 7 Gathering.

As you recall, we had Chapter Board elections last month and we'll be starting with the new Board on January 1. Ed Kettler will be your new Chapter President, but I will be very much involved in the Chapter.

Thanks to all for your support during my position as President for the last two years.
