

# THE TAILDRAGGER

EAA Chapter 972

"Serving East Texas"

## PREZ SEZ...

As we ease into fall, Chapter 972 has a few events and other items to wrap up before the end of the year. To start with, we have the YE Rally at Rusk County on the 6th. I believe that it has already filled up and we have around 40 kids to fly that day. We will have our monthly meeting on the Thursday the 11th. Chili will be on the menu and we have plenty of time to sort out the details. It will be at the Leary's hanger.

Some additional details to sort out will be our chapter renewal information that needs to be provided to Oshkosh. This will be the first time that myself and the other officers have been responsible for this. Also on tap will be final plans for the Dec. meeting/Christmas get together. Additionally, we need to finalize the new officers for (if needed) for 2022.

Hope to see everyone on the 11th.

# EAGLE'S NEST

We have a Rally coming up for November. Looking forward to seeing you ALL there to help.

Bo, Jill and I were invited to Whitehouse High School for their annual Advisory Committee Luncheon, and it was very nice. The Culinary department cooked lunch and did a wonderful job. They discussed the different programs that are offered for the students as a career. We also found out that Joe was picked at the "TEACHER OF THE YEAR". Today's youth is much more capable of doing more. They have asked if we have any suggestions on any of the programs that can turn into a certificate as they exit High School. I know Jill will be coming up with some good ideas.

Thanks, Whitehouse, for inviting us.

Don't forget about November 20<sup>th</sup>. We are committed to helping Gladewater with their first YE Rally. PLEASE let me know who is willing to help. They need pilots and ground.

Gayla
