Thank you to **Mary Beth Downs and Shirley McManus** for helping with and setting up the refreshments tonight!

A special thanks to our bakers, **Herman and Shirley** for bringing all those cookies!

Sign up if you'd like to bring goodies to the next meeting! Contact Shirley for more info.

If anyone has an extra fridge in their garage or hangar that they'd like to get rid of, the chapter could use the donation to hold extra drinks and food for events throughout the year. Call Don Downs if you'd like to help.

Jerry Klauber is our newest experimental Zenith owner & pilot. The build is underway and you'll see him flying soon!

Mark your calendars for these upcoming events:

Next **Wednesday the 18th** is Movie Night. Show will be announced soon!

Wednesday, February 22nd is our next Pancake Breakfast Fly-in 8:30am

Stop by for some pancakes, sausage, fruit, coffee *and airplanes*

Our next Young Eagles Rally will be February 25th - 8:30 AM

Contact **April Sedlak or Nancy Marquis** to volunteer!

We usually fly about 50 kids each rally and those who don't fly enjoy our education stations and static aircraft displays. Our volunteers make that possible! — And don't forget to sign into your EAA account (EAA.org), under "Training Information" and check your Youth Protection status. The EAA would like all volunteers for youth events to be current.

Our annual Shamrock Fly-In will be Saturday, March 18th - only 1 day after St. Patrick's Day!
 New cost (by a show of hands vote) will be \$15 for adults, \$8 for kids
 Stay tuned - more details announced soon

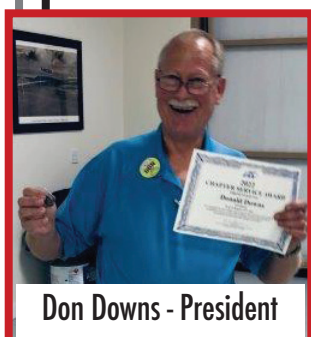

Tonight's Program:

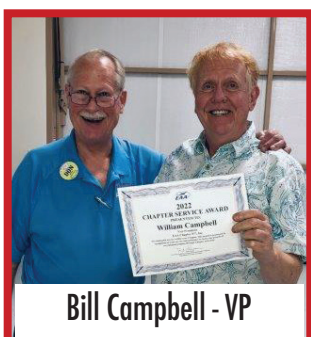

Chris and Eric Sedlak, showing photos and videos of their visit to the 10th Annual Maule & All Fly-In in Moultrie, GA

Tonight's 50/50 was collected by **Pam Huber** this evening and our winner is **Larry Alcorn!**
 Congratulations! The winnings were donated back to the chapter - thank you!

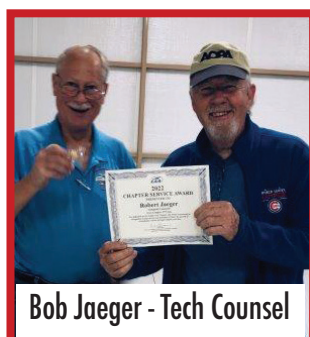

A BIG Thank you to all of our chapter leaders for your service in keeping our chapter running all year long! This evening we gave out the EAA 2022 Service Awards and pins.
