President **Don Downs** called the meeting to order and led everyone in the Pledge of Allegiance. There were **35** members and guests present for the meeting.

We finally received our commission check from the B-17 event this last Spring. We earned \$2409.45. Thanks to everyone who volunteered and helped make it a very fun successful event!

**Zachary Brecken, Gary & Nancy Marquis' grandson, is our guest tonight. Great to see you again, Zachary!**

**Young Eagles: April Sedlak**

I'm very excited to announce that I'll be taking over as YE Coordinator after the October event! I'll be Co-Coordinator, with Becky Zoeller, for this one, before I step into these big shoes and start running.

**The next Young Eagles Rally is Saturday, October 16th from 8:00-11:45am**

We have a big crowd already planned!

- The Lake City Scouts Troop 85 (about 10 kids) will be camping the evening before. Their YE flights are the start of working towards their Aviation merit badges.
  - The Young Marines (about 18 kids) will also be here for flights Saturday morning
- And all of our registered Young Eagles will be here too!

*Send Becky or April an email if you are available and interested in volunteering for the Young Eagles Rally! Thank you in advance!*

We would like to explore the idea of bringing **Eagle Flights** into our chapter. It would involve needing a few willing pilots to do flights and be mentors to the new student pilots. If you have an interest or have some feedback, please let Don or April know.

Thank you to **Mary Beth and Shirley** for the refreshments tonight! Our extra treat makers were **Karen Smith and Joann Matthews**. Sign up if you'd like to bring your favorite goodie or treat to share at the next meeting.

**Repairs:**

- We ordered the new LED lights for the hangar. No more blinking lights! They will be changed out before the next meeting.

Our guest was **Phil "Queso" White** is a Blackhawk helicopter pilot from Moody Air Force Base. Some of the topics discussed: Collision avoidance, the aircraft they fly around our area and the altitudes they fly. If you hear an A-10 overhead, it more than likely came from them. Thanks for being here, Phil!

## SHORT FINAL...

**Fly Out Report, Saturday August 14th** Yes, a Fly Out report! We headed to Cross City for a visit to the Cypress Inn. The forecasted rain held off as planned, and we found a nice VFR day. We had a total of six members make the trip. The flight was uneventful, except.. as we neared Cross City, it became very obvious that they had a LOT of rain. Many, dare I say ALL the surrounding fields looked like lakes or ponds. Upon leaving, see the attached pix of the adjacent prison next to the airport. You can see it as almost totally under at least 4' of water. In the background, you can see the flooded end of 4/22 which was NOTAM'ed closed. Wow. Anyway, back to breakfast. We all piled into the airport SUV (including two other pilots who needed a ride) and headed to the Cypress Inn. The Inn changed hands about a year ago. The menu was a tad smaller, and no buffet for your 'buffet fans' out there. I have to say my biscuits and gravy was only 'ok'. The guys who had an egg dish said theirs was good. We decided to try the Carriage House next time as we noticed they had a much bigger crowd as we drove by. *Mark*
