- Laura showed a sample of the 2017 contest shirts. Color combination looks great.
- Competitors with a BasicMed certificate must bring the certificate plus Driver

License for registration.

- To facilitate looking for the box marker locations, it was suggested that we permanently mark those spots by recessing into the ground solid round or square concrete plates.
- Laura will contact Mary Unger regarding a) being volunteer coordinator, b) bring the "Unger" golf cart.
- still looking for a printer/copier for use during the contest.
- Pilot Launch/Education Room at the Dora Hangar (with WIFI access) will be available for registration.
- A request was made for the Valley Aero Club to supply Ice and Water.
- still looking for volunteers (i.e. High School students) for score entry and judges line recorders
- Valley Aero Club making efforts to have local car dealers sponsor vehicles for use during the contest weekend – names of dealers will be added to the sponsor page of the contest flyer.
- Banquet will be catered by Krysiak's House Restaurant.
- due to low participation at the morning breakfast in 2016, there will be no breakfast served at the airport. There are several good and close restaurants near the airport.
- Valley Aero Club is arranging for a "lunch wagon" to be on site. As a contingency, the Valley Aero Club will fire up their grill and prepare lunches.
- The contest flyer is being prepared, a quote will be requested from QRP in Bay City to lower overall cost, Hugo will contact Chuck Binder.
- Sponsorship drive has been so far on target, we have added 2 new sponsors – Lord (engine mounts) and Tempest (spark plugs). Cash and product receipts add up to about \$1,800, pending of course, receipts from the product auction.
- Hugo will update contest posters and auction ledgers.
- A reminder will have to be send out to competitors and volunteers that the special rate (\$114/night) at the Bay City Comfort Inn expires on June 15.
