President's Column

IAC Chapter 34 hosted the IAC East Open Championship at Bellefontaine, OH, this past weekend, Oct 10 – 12. Perfect weather brought 17 pilots to Bellefontaine to compete in 5 categories. Chapter 88 was well represented by Laura and Wayne Buescher, Dan Unger, Tim Stackhouse, Jason Ledbetter and me. Wayne and Dan served as chief judges and Tim as a line judge. Wayne competed in the Intermediate and I in the Unlimited category. Cool mornings followed by warmer day temperatures made it a perfect contest weather-wise. Bennett Petersen, CD, and his team did a great job, we all enjoyed being there in support of our neighboring Mid-America chapter.

I am looking forward to this year's last chapter meeting and practice/critiquing day on October 26 at Romeo State A/P. Fly in and make use of the opportunity to practice the 2025 Known sequences with judges present, fly for a patch or as a non-pilot just enjoy aerobatic demonstration flights.

November 16 we will return to Premier Jet Services at Pontiac A/P for the winter months meetings.

September Practice Day

Chris Oyster based in Ohio arrived with his Starduster 2 to fly for his Primary and Sportsman Smooth Patch. After an obligatory pilot briefing, Chris flew the figures required for the patches. He did well and passed and can now apply for the achievement awards, congratulations, Chris.

Chris also became the newest member of Chapter 88. We all extend a warm welcome to Chris.
