## Editors Notes by Bill Markstrum

Welcome to year 2012! We hope your Christmas and New Year's holidays were everything you could have wished for. While our Merrill airport brethren experienced considerable structural damage to their hangars and some to their planes during the 2011 tornados, physical injuries were minimal.

Unfortunately, we experienced two sad occasions during year 2011 as we lay to rest two beloved chapter members, Robert John "Bob" Payzer and Phil Neubauer.

To lighten the mood a bit, I feel obliged to pass along this joke given to me by a friend just today. It seems an older gentleman suffered a severe heart attack while shopping and was rushed to the nearest hospital, which was a Catholic institution. After surgery with several

bypasses, the gentleman finally awakened in his hospital bed. Soon a nun appeared with a clipboard and routine hospital paperwork to inquire about his ability to pay his hospital and surgery expenses.

"Do you have medical insurance?" asked the nun. "No, ma'am," he answered. "How about a savings account?" the nun asked. Again he answered, "No, ma'am." The nun pushed on, "Any family or close relative that can give you the money?" He answered that he had only one sister and that she, like the inquiring nun, was a spinster nun. "My dear sir," the irritated nun replied, "We sisters are not 'spinsters' as you put it! We are married to the Lord!" "In that case," the man replied, "Send the bill to my brother-in-law!"

Alas, the Wisconsin winter is now on the doorstep and we have to adjust accordingly. I already failed to adjust by not wearing my "ice boots" while snow blowing. I paid the price by slipping and further straining a bad knee. Not to worry – this week we had a chair lift installed on the basement stairway. That will ensure that I can sort out all those old aviation magazines and pictures I've taken over the years of unusual aircraft. That should keep me occupied through the long Wisconsin winter.

I look forward to seeing all of you at our annual chapter Christmas Party on January 21st at Rick Coe's hangar. Come one, come all for that great fun event!

Have a super 2012 and, unlike me, be sure to wear your "ice boots," avoiding any "hard landings!"

## December 2011 NCWLF Meeting Minutes

The December meeting of UL Chapter 75 was a joint pot luck get together with EAA Chapter 640 at the Merrill Airport. The turnout was one of the best ever with approximately 112 people attending. President Steve Krueger called the meeting to order with the ringing of the Payzer Bell. Introductions followed. The

secretary and treasure reports were accepted as printed in the news letter.

Old Business: The new Chapter jackets and caps arrived and were distributed to those present. They look great! A big "thank you" went to Tony Borchardt for his work on the logo. If you weren't there to get your jacket, don't worry, all the

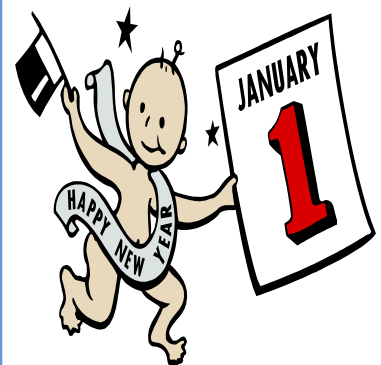

extra jackets were sold for \$10.00 apiece to those in attendance. JUST KIDDING!! The jackets and caps will be available at our January meeting. "PLEASE!" come to this meeting to claim your free jacket and cap. If you ordered extra jackets, they
