Free Admission for Ages 18 and Under at EAA AirVenture Oshkosh 2024

In Partnership with

Young people ages 18 and under will be admitted free to EAA AirVenture Oshkosh 2024, to introduce more youths to the possibilities in the world of flight. The 70th EAA fly-in convention will be **July 22-28, 2024**, at Wittman Regional Airport. Free youth admission is supported in part by The Boeing Company.

This effort is designed to encourage more aviation-minded families and their children to attend the event that brings more than 10,000 aircraft from around the world to Oshkosh each year. Free youth admission is available throughout AirVenture week. Longstanding youth activities and programs at AirVenture include such popular offerings as the hands-on Kid Venture display and program area; technology, innovation, and education options throughout the grounds; and extraordinary events such as daily air shows and hundreds of forums, workshops, and seminars.

(This is a fantastic opportunity to get our young people involved)

If you are planning to go to AirVenture, consider doing Chapter Camping. Each Chapter is allowed 2-6 sites. These sites are marked off in advance from Saturday, July 15 through the end of AirVenture. At least one member of each site needs to be a member of National. This is a great deal in that your site is marked off for you. The first person in the Chapter that arrives at AirVenture gets the campsite credentials for everyone in that Chapter. Then when you get close, you call that person, and they meet you at Camper Registration with them. No standing in line to pay for your campsite and then driving around to find a site that is not marked off already. If you need more information on this, please contact me.

It is more fun to attend different events with Chapter members. If you want to get a group together and go let me know. Or post on our Facebook page.

See all the fun you are missing by not being affiliated with the Chapter. Be sure to get on the mailing list by emailing me at DAFord1957@gmail.com

Until next month, enjoy aviation. Also, this is **your** newsletter. If you have a good aviation story or some aviation pictures and would like to share them, then this is the place to do so. Please email them to me at DAFord1957@gmail.com

If you are building an airplane, we would like to see your plane. Unfinished planes are also welcome. Let us see how your project is coming along. Tell us why you decided to build it and why you chose the plane on which you are working.

Try to have them to me by the last week of the month to be included in the following month’s newsletter.
