

TAILWINDS

September 2024

Officers:

President: John Morozowsky

Vice President: Anthony (Tony) Morozowsky

Secretary: Nick Crate

Treasurer: Terry Baker

Newsletter Editor: Darlene Ford

Website Editors: Christopher Calhoun

Please come out to the Zanesville Municipal Airport and visit us on the second Saturday of the month. We start gathering about 5:00 PM for some food and aviation fellowship. We meet in the Chapter 'social room' at Hangar # 4.

We no longer have Chapter dues! So please come and join us.

Our next meeting is September 14. We will be finalizing the details for the September 28 Fly In. Everyone is invited to attend. We welcome your thoughts and opinions.

Be sure to check out the new improved website. <https://chapters.eaa.org/vin22>

If you have any pictures you would like to share on the page, please send them to me.

All webinars are at 7:00 pm CST unless otherwise noted.

Webinars are free, but registration is required as space is limited. You can also review any of the previous webinars. To register for one of the webinars go to: [Webinars \(eaa.org\)](http://Webinars(eaa.org))

Your officers

Since it was established in 1971, our association has been working to keep aviation history alive.

Originally known as the EAA Antique/Classic Division, VAA has the support of the internationally renowned EAA. The strength of this premiere aviation organization helps VAA further the causes of vintage aviation.

The Vintage Aircraft Association is the world's premier organization created to preserve and protect all aspects of vintage aviation. Our membership is worldwide.

Be sure to check out our Facebook page: [eaavintage22](#)

All was quiet the morning I took this (August 11). In a few short weeks it will be bustling with planes, cars, and visitors. September 28 is the day! Be sure to come out and see us. Lots of things will be happening. A great pancake breakfast, lunch, etc.

Just a note – if you have an airplane or an airplane project that you would like to sell, please send me details and pictures if you have them. I will place them in the newsletter here for those that are interested. There is no cost to advertise tools, planes, parts etc. in the newsletter. We are here to help you sell, give etc. whatever to others that may have a need for it. You never know what you may find for sale or give here. This is a way to help others.

Is there a topic that you would like to see addressed? Or a speaker that you know has a great topic and would be good? Let us know so that we can try and get them to come speak at one of our meetings.

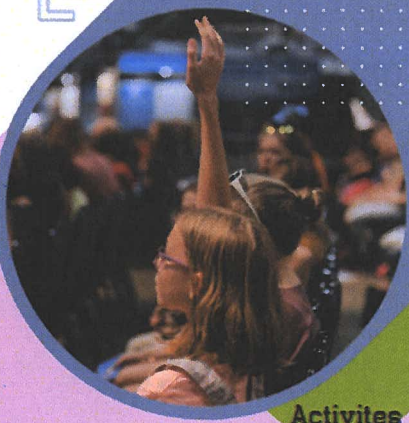

It is more fun to attend different events with Chapter members. If you want to get a group together and go let me know. Or post on our Facebook page.

Are you looking for an airplane? Have you checked Barnstormers? This is a remarkably interesting site.

BARNSTORMERS.COM
Aviation's Busiest Marketplace™

You can also advertise your plane for sale. They also have a section that shows where you can rent a plane, depending on your location. Check them out. <https://www.barnstormers.com/>

Girls IN AVIATION DAY
A Women in Aviation International® Event

EAA Chapter 1336, General Chuck Yeager Chapter hosts "Donut Saturday" every Saturday at I18, the Jackson County Ravenswood Airport from 8:00 AM until noon. Stop over and say hi!

They also hold their monthly club meetings the 1st Saturday of each month at 5:00 PM. The airport is located at 912 Airport Road Millwood, WV 25262

An aerial view of the airport. They do have 100LL and Jet A.

EAA Airventure Oshkosh 2024 Facts and Figures

Record numbers at World's Greatest Aviation Celebration

Comment from EAA CEO and Chairman Jack Pelton:

- “This year’s tag line was ‘Inspiring the Future of Aviation’ and AirVenture 2024 certainly did that in countless ways. The mix of innovation, history, excitement, and fun that is a hallmark of Oshkosh was present throughout the grounds and made the event a memorable one, filled with numerous ‘Only at Oshkosh’ moments in the air and on the grounds.”

Attendance: Approximately 686,000 – Highest total on record! (Previous: 677,000 - 2023).

Comment from Pelton:

- “Over the past decade, and especially since 2020, we have seen AirVenture move to another level, as we maintain the heart of the event and while adding programs and activities that appeal to aviation enthusiasts of all interests. Kudos to our dedicated volunteers and staff who plan and adjust to make it work.”

Total aircraft: More than 10,000 aircraft arrived at Wittman Regional Airport in Oshkosh and other airports in east-central Wisconsin. At Wittman alone, there were 16,780 aircraft operations in the 11-day period from July 18-28, which is an average of approximately 113 takeoffs/landings per hour when the airport is open.

Total showplanes: 2,846 including: 1,200 vintage aircraft, 975 homebuilt aircraft, 337 warbirds, 154 ultralights and light planes, 82 aerobatic aircraft, 65 seaplanes and amphibians, 23 rotorcraft, and 10 balloons.

Camping: More than 15,000 sites in aircraft and drive-in camping accounted for more than 40,000 visitors.

Volunteers: Nearly 6,000 contributing in excess of 250,000 hours.

Commercial exhibitors: 861 (record number).

Forums, Workshops, and Presentations: More than 1,600 sessions hosted during the week at 65 venues.

Social Media, Internet and Mobile: More than 24.7 million people were reached by EAA’s social media channels during AirVenture, with engagement of 3.7 million; Total social media video views: 17 million (up 149 percent over 2023); Over 47,000 social media followers gained; More than 142,000 hours of viewing EAA video clips online also occurred during the event (YouTube and Brightcove only).

International guests: A total of 2,581 attendees registering at the International Visitors Tent from a record-setting 98 countries outside the U.S., a 9 percent increase over 2023. As a significant number of international visitors do not officially register at the tent when they arrive, the actual international visitor total is much higher.

The Gathering shines: The EAA Aviation Foundation's annual event to support its aviation education programs attracted more than 1,000 people and raised a record \$2.8 million dollars that will be focused on EAA's mission of growing participation in aviation.

Media: 836 media representatives on-site, from six continents.

Economic impact*: \$170 million for the five counties in the Oshkosh region (Winnebago, Outagamie, Fond du Lac, Calumet, and Brown). * - based on 2017 University of Wisconsin Oshkosh economic impact study

What's ahead for EAA AirVenture Oshkosh 2025 (July 21-27, 2025)? Comment from Pelton:

- “We’ve already received plenty of ideas for next year and a little bit later this summer, we’ll begin reviewing what might be possible for 2025. Our annual goal is to create a gathering of people and airplanes that is found nowhere else in the world, and continue to improve the experience for EAA members and visitors.”

If someone shared this with you and you want on the direct email list, email me at DAFord1957@gmail.com

Until next month, enjoy aviation. Also, this is **your** newsletter. If you have a good aviation story or some aviation pictures and would like to share them, then this is the place to do so. Please email them to me at DAFord1957@gmail.com

If you are building an airplane, we would like to see your plane. Unfinished planes are also welcome. Let us see how your project is coming along. Tell us why you decided to build it and why you chose the plane on which you are working.

Try to have them to me by the 20th of the month to be included in the following month's newsletter.

Darlene Ford, Editor
