Free Admission for Ages 18 and Under at EAA AirVenture Oshkosh 2024

In Partnership with

Young people ages 18 and under will be admitted free to EAA AirVenture Oshkosh 2024, to introduce more youths to the possibilities in the world of flight. The 70th EAA fly-in convention will be **July 22-28, 2024**, at Wittman Regional Airport. Free youth admission is supported in part by The Boeing Company.

This effort is designed to encourage more aviation-minded families and their children to attend the event that brings more than 10,000 aircraft from around the world to Oshkosh each year. Free youth admission is available throughout AirVenture week. Longstanding youth activities and programs at AirVenture include such popular offerings as the hands-on Kid Venture display and program area; technology, innovation, and education options throughout the grounds; and extraordinary events such as daily air shows and hundreds of forums, workshops, and seminars.

(This is a fantastic opportunity to get our young people involved)
