Please come out to the Zanesville Municipal Airport and visit us on the second Saturday of the month. We start gathering about 5:00 PM for some food and aviation fellowship. We meet in the Chapter 'social room' at Hangar # 4.

We no longer have Chapter dues! So please come and join us.

Our May meeting will be on June 8. We need everyone who can attend to do so. We are going to be talking more about the Fly In.

Be sure to check out the new improved website. <https://chapters.eaa.org/vin22>

If you have any pictures you would like to share on the page, please send them to me.

Free Admission for Ages 18 and Under at EAA AirVenture Oshkosh 2024

In Partnership with

Young people ages 18 and under will be admitted free to EAA AirVenture Oshkosh 2024, to introduce more youths to the possibilities in the world of flight. The 70th EAA fly-in convention will be July 22-28, 2024, at Wittman Regional Airport. Free youth admission is supported in part by The Boeing Company.

This effort is designed to encourage more aviation-minded families and their children to attend the event that brings more than 10,000 aircraft from around the world to Oshkosh each year. Free youth admission is available throughout AirVenture week. Longstanding youth activities and programs at AirVenture include such popular offerings as the hands-on Kid Venture display and program area; technology, innovation, and education options throughout the grounds; and extraordinary events such as daily air shows and hundreds of forums, workshops, and seminars.

(This is a fantastic opportunity to get our young people involved)

If you are planning to go to AirVenture, consider doing Chapter Camping. Each Chapter is allowed 2-6 sites. These sites are marked off in advance from Saturday, July 15 through the end of AirVenture. At least one member of each site needs to be a member of National. This is a great deal in that your site is marked off for you. The first person in the Chapter that arrives at AirVenture gets the campsite credentials for everyone in that Chapter. Then when you get close, you call that person, and they meet you at Camper Registration with them. No standing in line to pay for your campsite and then driving around to find a site that is not marked off already. If you need more information on this, please contact me.
