Please come out to the Zanesville Municipal Airport and visit us on the second Saturday of the month. We normally start gathering about 5:00 PM for some food and aviation fellowship. We meet in the Chapter 'social room' at Hangar # 4.

We no longer have Chapter dues! So please come and join us.

**Our next meeting is November 9 at Zanesville Municipal Airport (ZZV). We will start the meeting after the Fly In. All are welcome to attend. Come on out to see what we do and hopefully you will join the Chapter. You do not have to fly**

Vintage Aircraft or even be a pilot to join. Please think about coming out to join us. We are an aviation friendly club where there are no strangers. So, whether you are a pilot or just love aviation, come on out.

Be sure to check out the new improved website. <https://chapters.eaa.org/vin22>

**Check out the EAA Website. There are so many great articles and stories on there.**

Since it was established in 1971, our association has been working to keep aviation history alive.

Originally known as the EAA Antique/Classic Division, VAA has the support of the internationally renowned EAA. The strength of this premiere aviation organization helps VAA further the causes of vintage aviation.

The Vintage Aircraft Association is the world's premier organization created to preserve and protect all aspects of vintage aviation. Our membership is worldwide.

**Is there a topic that you would like to see addressed? Or a speaker that you know has a great topic and would be good? Let us know so that we can try and get them to come speak at one of our meetings.**

**It is more fun to attend different events with Chapter members. If you want to get a group together and go let me know. Or post on our Facebook page.**

Are you looking for an airplane? Have you checked Barnstormers? This is a remarkably interesting site.

**BARNSTORMERS.COM**  
Aviation's Busiest Marketplace™

You can also advertise your plane for sale. They also have a section that shows where you can rent a plane, depending on your location. Check them out. <https://www.barnstormers.com/>
