KWVI Fly-Out

On November 12, 2022, we had the final fly-out of the year to Watsonville, CA!

It was a gorgeous day, with a few clouds on the way to the coast. By the time we got to Watsonville, it was clear and gorgeous over the ocean. There were five planes (a Cessna 140, an RV-14, two RV-4s, and an RV-8). We had lunch at Ella's at the restaurant and then returned to Sacramento in the afternoon.

If you want to attend the fly-outs, you need to RSVP, be a current EAA member, as well as a Vintage Chapter 25 member. Also, due insurance reasons, moving forward there will be some restrictions in place. Only private pilots, people over age 18, and students flying with a CFI will be allowed to attend fly outs. If you have any questions, please contact Tenley Ong.

2. Rachel Long's view from the back of the RV-8, flown by Justin Frei.

3. Tyler Pierson's view of the two RV-4's and Lina's Cessna 140 on the ramp at KWVI.
