

CHAPTER 25

SACRAMENTO, CA

October 2019 Newsletter

PRESIDENT'S REPORT

It feels like autumn has arrived and with it a couple of Young Eagle flight rally's from EAA Vintage Chapter 25. On the coast we are flying the 5th and are ready for that.

In the valley Stan has setup that event on October 20 weather permitting. It is great to see the excited young folks when they get up in the air on a Young Eagle flight. They learn a lot about flying in the ground schools as well.

The two-year officers' terms are expiring this December. Although it has been fun and rewarding to serve as an officer of Vintage 25 as of Dec 2019, I am no longer available to serve as an officer. I hope to continue as a chapter member. Other members should step up to take on these tasks for the future of the chapter.

I hope to see everyone at Shelter Cove on Saturday, October 12, around 11 AM for lunch there. Fly safe and have fun!

President

SECRETARY'S REPORT

Jim Jordan reported that: “the Yolo Fliers Club meeting was fun with 5 of us flying into Watts-Woodland. Those attending were: Allan Krosner, Andy Weinberg, Jim Hopelain, Tim Redden, & me. Allan, Andy, and Tim had several interesting stories about their formation flying experiences, and Tim told us a little about his airshow team the Lighting Formation.”

We do hope the members are looking at the EAA Chapter Videos - they come out monthly. The link to this month's video is shown in the **Training and Education** Section of this Newsletter.

It is exciting that Stan, Kim, and Esteban are going to the Chapter Officers training at Air Academy Oshkosh. We thank them for representing the Chapter and wish them a safe and fun adventure.

There is a lot of activity in EAA Chapters and good tips abound to improve our skills and update our planes. It is outstanding that the Ray Foundation has increased their pilot training funding, and if we understand the news, flight training scholarships can be awarded through a Chapter or directly through EAA.

We are looking forward to Young Eagles Day at Little River, our local pilots are eager to help. Then, perhaps a meet up at Shelter Cove if weather permits the following Saturday.

I would like to remind our members that we need to fundraiser seriously to gather enough money to send three youth to Air Academy in 2020. Stan has identified three great candidates.

We will sell EAA calendars at the December meeting - and contribute any additional you can. EAA Vintage Chapter 25 has a lot of fine people involved and one of the best things we can do is help younger people find their places in aviation.

Your Secretary,
Marilyn Boese

We added \$100.00 to the Treasury in September. Previous balance was \$2,871.09, the total has increased to \$2,971.09. We need to grow our club and figure out how to fundraise. We are going to have our donation box out during our Young Eagle  Rallies from now on as it seems like viable way to help fill our bank account.
