Tim Kolp

Warbirds of America Squadron One contributes to the aviation community by sponsoring the Event Dinner during Benton County's Aviation Day Fly-In at Camden, TN in 2022.

Upcoming Events:

-Winter/Spring Squadron Meeting in Sevierville, TN..... TBA

-Sun'N Fun Aerospace Expo, Lakeland, FL..... April 9-14, 2024

-EAA Airventure Oshkosh, WI ..... July 22-28, 2024

**Squadron One demonstrates formation maneuvers during career day at Benton County Fly-In 2022**

Members of the East Tennessee's Rocky Top T34 Flight Team, the West Tennessee's Ridgerunner T-34 Flight Team and the Redstar Flight Team participate in the Wings of Camden Fly-in for citizens of Benton County in efforts of promoting aviation education.

**Squadron One (WAR 1) members attend Oshkosh 2023**

Ridgerunner's Roost

Squadron One members volunteer at the Warbirds of America Flight Simulator for youth to experience part of aviation history in a P51 and Corsair.

## Ridgerunner's Fly-In at Darrel Berry Field 2023

Vice President/Commander Darrel Berry hosted his team fly-in at Berry Field for members of the Warbirds of America Squadron One annual meeting. Agenda included election of new officers, growing memberships, planning for scholarships and plans for future fly-in opportunities.

## *Squadron One Updates*

### **Membership Dues:**

-Membership dues will resume spring of 2024 (\$35.00/yearly).

\*Dues pay for squadron liability insurance premiums.

---

### **Hosting Fly-ins**

-Members who wish to host a fly-in event or sponsor the location for the next Squadron One annual meeting, please contact an officer with details.

\*If funds are available, the squadron may wish to assist with the cost of the event for the hosting member.

---

### **Membership/ Social Media/ Scholarships**

-We hope to set up a Facebook page and/or webpage to link to the EAA Warbirds of American Squadron menu.

\*This will allow members to add pictures and updates of events for others across the state of Tennessee.

-At next squadron meeting, we will discuss future scholarship opportunities

\*Prior contributions were submitted to Tennessee Aviation College funding programs for pilot training and aircraft maintenance training.

---
