About Us

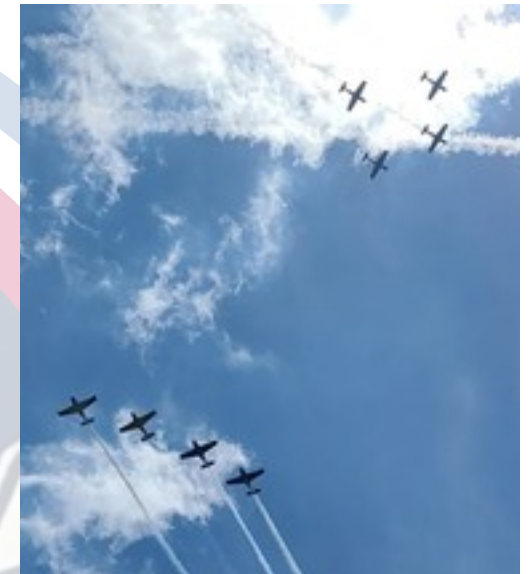

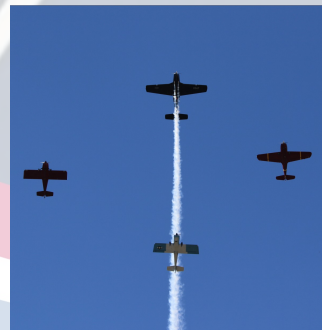

Welcome to Tennessee Warbirds First Squadron

We are a group of military aviation enthusiasts and pilots striving to promote the operations of vintage military aircraft as well as educate the community on the rich history of warbird aircrafts and their pilots.

Whether you fly, build, restore or simply enjoy airplanes and aviation, you are welcome to attend our events and join our Chapter.

Please come to our next meeting or event as our guest.

EAA's local chapters are about people, bringing together individuals interested in learning more about aviation as well as sharing their own knowledge.

Chapter members are involved in a variety of social and educational activities, including Young Eagles rallies, fly-ins, building seminars, and more, to build awareness in the community.
