Good & welfare:

-

Motion to adjourn:

- **Program:** Thank you to Kara White for talking about her book, “My Very Dearest Anna”. The book is a very personal look into the war time lives of her grandparents as told through the love letters she would discover. The letters from Anna are what would keep her grandfather going while he flew dangerous missions in a B-24 Liberator.

Minutes respectfully submitted by John C. Leidel, Squadron 32 Adjutant-Financial Officer
