## Young Eagles Report July 2021

*Duane Huff, Brian Michael & Wes Riddick, Young Eagle Coordinators*

*By: Brian Michael*

Thank you to everyone that participated in our YE rally yesterday! We didn't quite have as many kids as I was expecting, and I'm looking into some theories as to why that might be. We did fly 34 kids, with 8 pilots and 10 ground crew. We had 2 pilots who flew their first Young Eagles yesterday, so a very special thank you to Wayne Cease (SR22) and John Tefft (Cessna Cardinal)!!! Thank you Allen Maynard, [@tomhilborn](#), Jason Hilborn, [@Flynfranks](#), [@Ben Davis](#), [@Gay Roberts](#), [@Blair Smith](#), [@Justin Muscheru](#), [@kathiparks](#), [@alex787ef](#), [@Bill Bell](#), Wayne Cease, [@alexkirk1342](#), [@Brian](#), [@John Murtagh](#), [@taildragger pilot](#), [@Mark Sirull](#), and John Tefft.

# NavCom Newsletter July '21

EAA 690 is a chapter of the Experimental Aircraft Association, located at Briscoe Field (LZU) in Lawrenceville, Georgia. A diverse chapter with over 250 members we offer a wide range of aviation-related activities. While the Pancake Breakfast and our monthly meetings are the norm we regularly conduct fly-ins and are heavily involved in youth education through EAA's Young Eagles program, youth aircraft build projects, summer camps, ground schools and simulator instruction. We frequently host historical aircraft such as EAA's B-17 "Aluminum Overcast", the Ford Tri-Motor and DC-3 to benefit, educate and entertain the local community. Our technical counselors are some of the best in the industry, and willingly donate their time to our youth builder programs and homebuilders as they progress through the various phases of constructing an aircraft. We have pilots with a wide variety of experience from former airline and military pilots to general aviation pilots with private pilot certificates. "Hangar flying" is a fun part of the mix and our facility is often used for aircraft annual inspections, meetings, special events, and training. We also have an extensive array of aviation tools for loan to members and, a library full of aviation information.

Come join us on the first Saturday of every month at the hangar to enjoy a \$7 Pancake Breakfast and, to learn more about EAA 690 please visit our web site: [www.eaa690.org](http://www.eaa690.org)
