

# Midland Barstow Aviation Camp

June 13-17, 2022

10:00AM—4:30PM

Jack Barstow Airport

2800 Airport Rd, Midland, MI 48642

Learn about different aspects of aviation and space from aerodynamics to zulu time in a fun, hands on environment. Speakers will include military pilots, mechanics, air traffic controllers and more who will share their knowledge and experience. This camp is for students entering the 9th-12th grade this fall.

Tuition is \$95.

To register; email [AviationCamp@outlook.com](mailto:AviationCamp@outlook.com)

Spots are limited, register today!

Special Note: Students are invited to participate in a special one-on-one flight on Saturday, June 18 with experienced pilots from EAA 1093.
