PRESIDENTS MESSAGE

Fellow 690 members

1988 is going to be an exciting year for Chapter 690.

Paul Poberezny is visiting Atlanta in March and it is our hope to have him include an all EAA Chapter breakfast meeting in his schedule.

Our annual Air Fair is tentatively set for May 14 at Lawrenceville.

We are working toward a 690 sponsored School Flight program, to develop an aviation interest in young people.

Committees are in place and will be working toward the benefit of the chapter:

Newsletter committee- To publish and dispense timely information to members.

Membership committee- To welcome visitors, add to our membership and update membership information.

Historical Committee- to Develop and maintain a permanent Historical/Pictorial record of chapter 690.

Special Events Committee- To coordinate and develop our special activities, ie. Chili Cook-Off, neighbor day at PDK, etc.

Bob Barton is scheduling some great programs for 1988.

Lets start 1988 off by coming to Stone Mountain Airport at 8:00pm on January 8 for our first meeting

EDITORS NOTE:

This is a small issue for two reasons. The first is due to the holidays and the problems involving changing editors. The second is due to lack of anything else to publish. This is YOUR newsletter, if you want something in it, then send it to me!
