**Secretary, Earl Evans
469-2346**

**Treasurer, Donna Forbes
993-3411**

**TECHNICAL COUNSELORS
Ed Booth 921-2907
Frank Wilcox 469-9323**

**CHAPTER TOOLS AND MATERIALS
Frank Wilcox 469-9323
2996 Nappa Trail
Stone Mountain, GA 30087**

EAA CHAPTER-690 NAV-COM

**EDITOR: Forrest Wilson
2832 Concord Dr.**

**Phone: (404) 292-5613
Decatur, GA 30033**

PRESIDENTS MESSAGE

The Chapter has decided to make the "thing", welded up by Frank Flessel, into the Frank B. Flessel Memorial award. This award will be given to some deserving person at our Christmas party!

We have decided to replace our subscription to Light Plane Maintenance with four Sport Aviation subscriptions donated to four area high schools. It is felt that this will be of more benefit to the goals of EAA.

Our Air Adventure Day was successful for a first attempt. Fifteen young "aviation enthusiasts" attended. The total concentration and effort of these youngsters, while working on their rib or glider was amazing. They really seemed to enjoy the activity. A couple of fathers joined in also. Next time we will have to set up a father activity so the child can work by himself. Roger Kluge took some great pictures. We will send them to EAA HQ for Sport Aviation.

May 13th Pancake Breakfast - we served 75 breakfasts and everyone seemed to enjoy themselves. Thanks to our two chefs, Ken and John, also thanks to Duane for managing, and thanks to the people who did the "grunt work", waiting tables mixing O.J. etc.

Ken Sharp says the airport sign is almost finished and we hope to have it in place for the June 10th Air Fair.

A proof copy of the chapter directory was circulated at the meeting and should go to press shortly. Earl Evans is handling this.

Our next "event" is Neighbor Day at PDK. We plan to erect our mini-booth, park a couple of aircraft near and

promote EAA and Chapter 690. Possibly gain some new members. Hours are 12:00 to 5:00 Sat. June 3rd. PDK usually sponsors flying events so join us and have some fun.

We are investigating the possibility of a chapter project. Briefly it would entail:

Purchase of a dilapidated tripacer.

Sale of the engine to recover cost.

Tear down of the airframe

Modify and rebuild to a "V6-Stol"

To make this work we need a "project manager" for guidance and control, and a place. Frank Wilcox may provide both needs.

If we can do this I think it will be a lot of fun and will give, all who want, an opportunity to have as much hands on experience as they can stand!

The Big Event - June 10th Air Fair.

Friday June 9th working meeting to set up, regular time.

We would like to sell brownies as a desert. Please donate a pan of same to us and we will bag them for sale.

If you have something to put in our static/workshop display contact John Goodman (972-2405)

Stone Mountain Airport is planning to do a couple of Swift formation flights over town to draw out the crowds. We need full support and max crowds for this because our insurance is costing \$500.00 and that doesn't leave much for our treasury.

Harold Stalcup

EVENTS // FLYINS

June 3, "Neighbor Day" at Peachtree-Dekalb Airport, Noon to 5pm.

June 9, Meeting, 8:00pm at St. Mt. Airport. Set-up for Air Fair.
