SECRETARY'S NOTES

EAA CHAPTER 690 MINUTES
SEPTEMBER 13, 1985

President Tom Ferraro opened the meeting at 8PM at Stone Mountain Airport by welcoming guests and by calling for a treasurer's report. Treasurer Dick Strand reported that the chapter has \$1668.35 in its account. July minutes were read and approved -- August social at the Stalcup's produced 90 minutes.

Harold Stalcup reported that \$53.00 was made at the hot dog stand at the Stone Mountain fly-in recently.

President Tom Ferraro asked Harold Stalcup to form a nominating committee to suggest nominees for club officers for next term. Harold will chair that committee.

Arrangements for the Annual Holiday Banquet have been made. It will be at the Radisson Inn Dunwoody on November 30th, a Saturday beginning at 6PM for cocktails, 7PM for dinner.

President Tom Ferraro asked that members plan to nominate a chapter member to be honored as our 1985 recipient of the EAA Chapter 690 Achievement Award.

Jim Jones, President of Stone Mountain/Britt Memorial Airport asked EAA Chapter members to write to county commissioners in support of the airport (in Dekalb and Gwinnett Counties). He reported that Stone Mountain has been given "reliever airport" status by the FAA.

Dick Strand suggested that we order 50 EAA calendars for Chapter 690. He indicated that the Chapter has sent \$200.00 to EAA to meet our chapter pledge for 1985 for the EAA Foundation.

=====

PROGRAM: George Gay, the sole survivor of "Torpedo 8" was the guest speaker for the evening.

=====

According to Stone Mountain/Britt Memorial Management, last month there were 131 airplanes based at Britt Memorial. New tie-downs are available and grass is being sewed. Flight school and maintenance shop are in operation. A consultant is being retained to assist in developing a master plan for the airport.

President's Message

OCTOBER 1985 ISSUE

Our last chapter meeting was one of the best meetings I've ever had the pleasure of attending. Mr. Gay has a story to tell that more people should have the opportunity to hear! A special thanks from all of us to John Owens for arranging this speaker for the evening, and a very special thanks again to George Gay for sharing his story with us.

During the business portion of last meeting, we touched on many important issues that need to be addressed for the chapter. Harold Stalcup and his committee will be working up a potential slate of new officers for the 1986-1987 term. Anyone interested in serving as an officer should contact Harold and let him know. Nominations will be presented at the October 11 meeting, and we will vote at the November 8 meeting.

We also need to open the floor for nominations for our Chapter 690 Achievement Award for 1985. This award was established last year to honor an individual in the chapter for his work helping to promote sport aviation in Chapter 690. Please consider possible candidates for this year's award.

The October meeting will feature a technical session on on procedures and techniques used for composite aircraft construction. Frank Wilcox will be sharing some of his ideas and expertise in this area. He is well along on his Q-2 project.

NEXT MEETING WILL BE HELD ON FRIDAY OCTOBER 11TH, AT 8PM at STONE MOUNTAIN AIRPORT. See you there!

Tom

RECRUIT A FRIEND

In an endeavor to improve this newsletter, I have requested that you send me information regarding upcoming events, ideas, information that would interest other club members.

WHERE IS IT?

+++++

I have discussed the idea of including a swap shop page in this newsletter. Everyone with a pulse please respond -- we want to know if you are interested.

+++++

I DISCOVERED a source for stainless steel nuts, aircraft type NUTS, bolts, screws -- all goodies that we need on a quick-find basis. IT'S SMITH HARDWARE DECATUR. They are not the cheapest, but when you need it fast in small quantity, that's one source.
