We would love to see more of our members come to meetings and participate in decisions regarding our chapter activities. Your suggestions and opinions are valued, but only if we hear them! Volunteering can be rewarding, and often only takes a few hours a month. Having many active members gives you more satisfaction in your membership and keeps us a healthier chapter. Hope to see you soon.

**This is still in the works, trying to work out the logistics.**

Next months presentation will be the USCG Rescue. I may have this at the main Ft Pierce terminal building or at 908. Still working on logistics on this.

**This is still in the planning stage and I will notify everyone when this is finalized.**
