Hello Member,

EAA Chapter 1160 wishes you and yours a very...

Thank You Glenna Wagner!

As you know, Glenna will be passing the President's torch to new leadership starting in January, 2025.

We all thank you Glenna for your 17 years of true Above And Beyond Leadership! You saved this chapter and kept the spirit of aviation alive in our community and we appreciate you very much! Thank You!

Welcome Ron Settje!

The Christmas Party was a great time! The Wagner's hangar was full to the brim!

Be sure to check the calendar, come to Saturday coffee, and attend the next meeting to find out what's in store for 2025! Generally, we are focusing on fundraising, possibly bidding on airport lots, ramping up our Eagle Flights program to attract more adults, and making our presence known in the community! I've even hear rumors of a Flying Club! How awesome would that be!?

We are continuing to see new faces showing up at the Saturday coffees. This is a great trend. Please come out and join us!

We are still looking for a pilot member who can stay in touch with other pilots in the area throughout the year to help 'get the word out' when we hold an event. If you are active in the pilot community and would like to help out, please volunteer as a Pilot Coordinator for us!

Get your T-shirts now!

Order yours now! Tell your friends and family and anybody else you know who loves aviation! \$20 for adults and \$15 for kids!

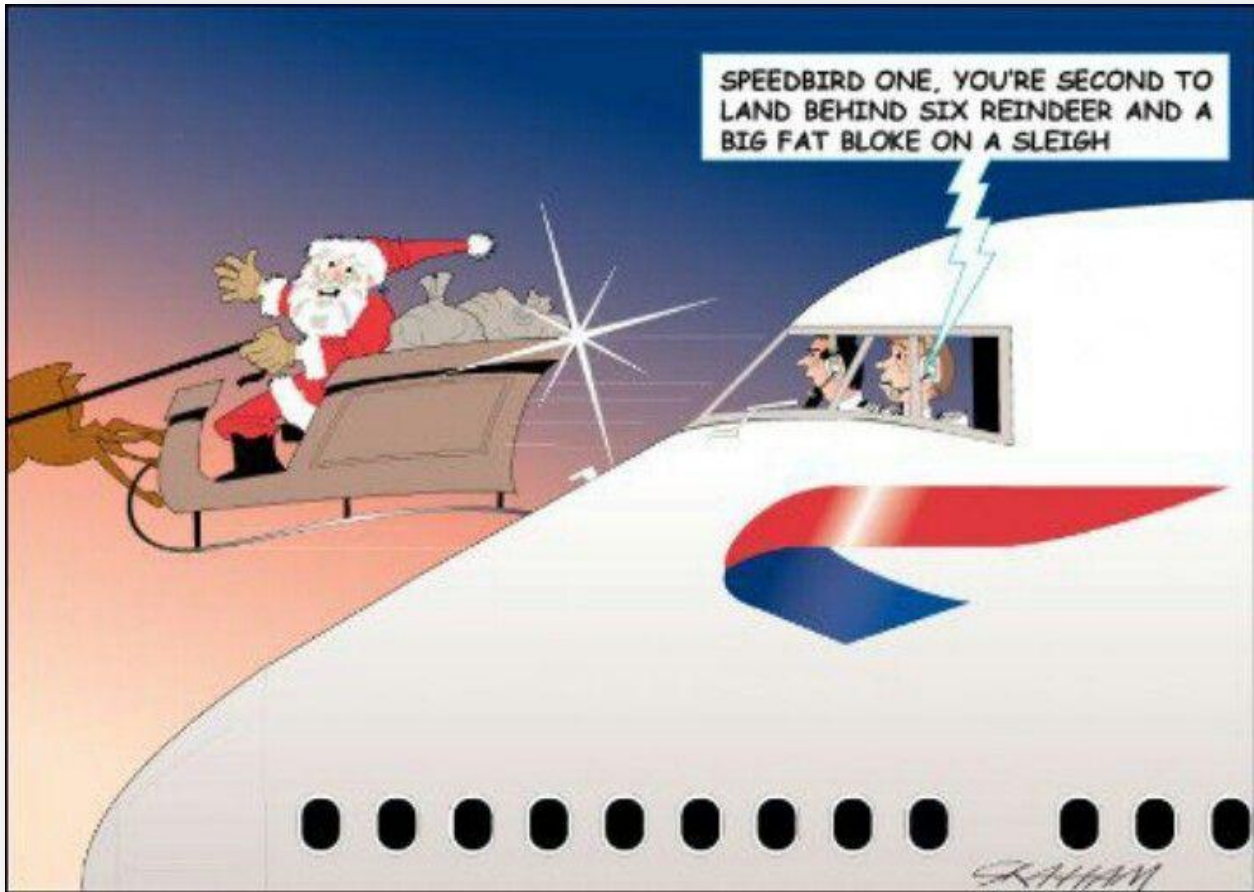

Also 2025 calendars are available now for \$10. Get yours while supplies last!

Share Your Story!

We have a couple of fascinating stories in the works and we'd love to add yours to the list!

Dig through your old pictures, log books, and memorabilia and find a great story that you can share with the members! We'd love to hear about it!

Hangar HaHa

Remember, your officers are here to help if you have any questions or suggestions about getting our community flying! Call 'em, email 'em, or come have coffee with 'em!

- President Ron Setje
- Vice President Hans Conser
- Treasurer Don Hibbert
- Secretary Liz Boosel
- Newsletter Editor Larry Moody
- Web Editor Larry Moody

Let your committee leaders know how they're doing and share your ideas! With our new projects, programs, and people, we can get more kids (and adults) off the ground!

Committee	Members	Phone
Flying Start	Hans	702-232-1908
