President's Corner - (continued)

We would love to see more of our members come to meetings and participate in decisions regarding our chapter activities. Your suggestions and opinions are valued, but only if we hear them! Volunteering can be rewarding, and often only takes a few hours a month. Having many active members gives you more satisfaction in your membership and keeps us a healthier chapter. Hope to see you soon.

This is still in the works, trying to work out the logistics.

Next months presentation will be the USCG Rescue. I may have this at the main Ft Pierce terminal building or at 908. Still working on logistics on this.

This is still in the planning stage and I will notify everyone when this is finalized.

Many thanks to those that contributed. Anyone with stories, news, trips, aircraft projects, bios of

Jerry Groendyke's 52nd anniversary of flying his first solo. Very cool and after all these years of flying he was able to do this flight.

The hurricane that left this much water behind 908 hangers looking NW (28L)

This is a shot on approach to 10R , there was rain showers to the north and south of FPR . The runway is just to the right of the clear opening. When I arrived over the threshold it was perfectly centered. That doesn't happen very often .

Young Eagles Oct 22. CAP opening with flag ceremony.
Registration was very busy, (thanks to all the volunteers.)

EAA Chapter 908 Christmas Party 2022

908 will supply the main course from Tillmans:

Beef brisket and pulled pork

Bring your favorite side dish, salad, or dessert.

We will have our popular silent auction and special prizes.

Sign up at the club house or contact Mike by email or phone.
