Experimental Aircraft Association Chapter 113
2023 Aviation Studies Scholarship

Experimental Aircraft Association, Chapter 113, Canton Michigan, annually awards as many as two scholarships up to $3,000 each, to local students pursuing a career in Aviation or Flight Training. Candidates should be currently enrolled or accepted to a college, university, or trade school majoring in aviation related studies or in an approved flight school. Applicants applying for scholarships to assist with flying lessons only, must be twenty-five years of age or younger as of March 31, 2023 and have completed their first solo flight.

All applicants must exhibit a passion for aviation! Applications will be evaluated by the EAA Chapter 113 Scholarship Committee and Board of Directors. Contact our Scholarship Committee at events@eaa113.org for more information.

Experimental Aircraft Association, Chapter 113
Attention: Scholarship Chairman
8512 N. Lilley Road
Canton, MI 48187

The awarding of this non-renewable scholarship is not based upon financial need. Additional information or verification may be requested, including a possible phone interview. The selected applicants will be notified by May 1st, 2023 whereupon the funds will be awarded at the EAA 113 Father's Day Pancake Breakfast and directed to their designated educational institution. The Experimental Aircraft Association, Chapter 113 has the right to withdraw awarding either one or both scholarships if the Board of Directors feels there are no applicants that meet the criteria established for the scholarship program. ***Applications lacking the required supporting documents or received after March 31, 2023 will not be considered.***
