★ **This is still in the works, trying to work out the logistics.**

Next months presentation may be the USCG Rescue. I may have this at the main Ft Pierce terminal building or at 908. Still working on logistics on this.

This is still in the planning stage and I will notify everyone when this is finalized.

Many thanks to those that contributed. Anyone with stories, news, trips, aircraft projects, bios of

We had a work day Saturday 1-14-23, a great turn out on a very cold day. 16 volunteers braved the WX to accomplish pressure washing the club house and the north side of our hangers, cleaning and rearranging to club hanger and tool room. Trimming, weed whacking, mowing, and resetting the main gate keypad.

Tina working on whacker.

Paul, John, & John cleaning and organizing the hanger.

Mike and Mike at work.

After a hard days work we had burgers, dogs, salads and topped it off with cake.

After the meal the work keeps going on. Thanks Jim & Cheryl

Tina had to park next to a P-51 Mustang, nice company.

EAA Chapter 908 Christmas Party 2022

Our Christmas party and silent auction was another big hit. We had 36 members and guests that enjoyed the evening with great food and comradery. The silent auction was also well receive with \$385.00 going to the Young Eagles fund.

Thanks to all who attended and bringing some great food.

I was going to use the pictures Jim Pool took but they wouldn't fit into this newsletter format.
