We had a flyout to Titusville (TIX) last Saturday for a breakfast & museum tour. The breakfast was good with omelets' to order or the standard breakfast fare. We started out with 4 planes & 8 people but ended up with 2 planes & 5 people due to preflight finds & engine runup failures. Reece Ventura & Ed Fry flew with Mike in the Grumman. Mike & Kyra White flew up in Mikes 150. Perfect day for flying.

We will have a work party Saturday 6-24-23 to do more repairs and sprucing up some of our hanger doors. The pictures below shows the story. Before, during and after.

Bob Belgau just picked up a Bearhawk LSA that he's rebuilding
