### **EAA Young Eagles Rally, April 29**

Dave Falleur, Young Eagles Co-coordinator

Saturday, April 29, began with gusty winds at the San Marcos Regional Airport. Fortunately, the wind was blowing directly down Runway 31. We had two aircraft this time, Bill Davoust in his Skylane and Angel Gonzalez in a friend's Skyhawk. **Thanks Bill and Angel!** We had a small group of 5 Young Eagles. Each kid was able to ride in the front seat and fly during the flight.

Our Young Eagles included kids who attended our last Young Eagles workshop. This was the first flight for three of them!

Bill Davoust with a new Young Eagle and his father. Once again, the CAF allowed us to use their Briefing Room for checking in and filling out paperwork. Our ground crew members included Tim McKenney and Russ Ross. Thank you guys! Also, thanks to Veronica Ruiz for bringing donuts.

If you would like to be an EAA Young Eagle Pilot or Volunteer, check out the Young Eagle website at <https://www.eaa.org/eaayouth/free-ye-flights>
